

EMPOWER STUDENTS

WITH HOMEWORK SELF-ASSESSMENT

Education's Role is to challenge inequality and dominant myths rather than socialize students into the status quo.

Learning is directed toward social change and transforming the world, and 'true' learning _____ students to challenge oppression in their lives.

~Stage, Muller, Kinzie, Simmons

Personal power is the feeling of being the _____ of your own life

How can you _____ charge instead of taking charge??

Put the _____ and _____ in the students' court

Missing words: power, give, empowers
ringleader, responsibility

Cara Lee, Assessment Circus
Portland Community College, 2011
